WHO ARE WE

Established in 1988, DNR Industries is a leading provider of hearse hardware, custom metal finishing.

DNR began as a manufacturer of quality hearse hardware supplying coach builders and the funeral industry worldwide. DNR also produces and supplies custom moldings for the speciality car industry.

ABOUT

DNR manufactures and supplies hardware to funeral coach builders, funeral homes, professionals in the industry and also produces parts for the limousine industry. The majority of components that DNR sells are produced on tooling developed and owned by DNR Industries. DNR also engineers and manufactures custom components to your requirements. These custom components can help you develop a unique look for your coaches that will be exclusive in the industry.

HEX by DNR is a premium design that is superior to the regular round pin design. The HEX design makes for a perfect alignment of the bierpins, stronger construction and is quieter. HEX also comes in a convenient 4-hole plate design!

As the exclusive importer of DNR hearse hardware, we can offer our customers faster delivery and reduce transportation costs. Also, since stock is available, we will provide faster turnaround times and offer no minimum orders.

Therefore, you can order the product as you need it and not carry the inventory on your floor.

Your orders can now be placed directly with DNR Europe.
